1. Introduction

In December 2018, the procedure for submitting an electronic application for a craft licence was revamped on the SPOT Slovenian Business Point portal for prospective craftspeople. As part of the redesign of the procedure, a set of procedures linked to the craft licence was finalised, such as:

- change of data in the Craft Register,
- removal of a craftsperson from the Craft Register,
- issue of EU certificate for craftspeople,
- obtaining a duplicate craft licence.

Legal framework:

- <u>Small Business Act (ObrZ)</u> (Official Gazette of the Republic of Slovenia, Nos. 40/04 official consolidated text, 117/06 ZDavP-2, 102/07, 30/13 and 36/13 corr.)
- Rules on the procedure for issuing craft licence and on the Craft Register and
- Decree on craft activities

If you wish to pursue a craft outside the Republic of Slovenia in the European Union, you must obtain an EU certificate in addition to the other documents. This is a document issued by the Chamber of Craft and Small Business of Slovenia (OZS) containing the business entity details kept in the Craft Register.
