1. INTRODUCTION

In January 2020, a new procedure for submitting an electronic application for a wild animal species breeding licence was launched on the SPOT Slovenian Business Point portal.

Legal framework:

- Nature Conservation Act (Article 21, in conjunction with Article 23).
- Decree on the conduct and protection methods in trade in animal and plant species (Articles 28 and 29).
- Rules on the conduct of a nature risk assessment and on the obtaining of authorisation (Article
 3)
- Rules on wild animal species not requiring a permit for captive breeding and
- Rules on record-keeping of trade in animals of wild species

The procedure is intended for domestic business entities. The procedure will only be possible through the SPOT portal and not also through the eugo.gov.si portal.

2. Instructions for completing the application for a wild animal species breeding licence

2.1. Login to the SPOT system

Before starting to complete the application, you must first log in to the SPOT portal at the following address – https://spot.gov.si/.

Figure 1: Login to the SPOT portal

You are advised to log in via the SI-PASS login, as this will soon become mandatory. Registration instructions are available <u>here</u>.

2.2. Selection of company

After successful login to the SPOT portal, you need to select the business entity that is the subject of the application. If the entity is a sole trader, the tax ID number of the entity is entered in the box "Vpišite davčno številko s.p." [Enter the tax ID number of the sole trader]. For other business entities, the registration number of the business entity is entered in the box "Vpišite 10-mestno matično številko" [Enter 10-digit registration number]. The taxable person can also be selected by clicking on the tax ID numbers in the "Zadnja uspešna iskanja" [Last successful searches] or "Pooblastila" [Powers of attorney] tab. The portal user can only select the business entity for which he/she is registered as a responsible person in the PRS (Slovenian Business Register). If a user who is not the responsible person will be submitting applications, he/she must arrange for power of attorney. Instructions on the procedure of conferring power of attorney are available on this webpage.
